FINGER LAKES WINE BY THE BOTTLE

The terroir of the Finger Lakes is special because of the microclimates created by the lakes — extreme cold weather in the winter is avoided and warm days during the summer help ripen the grapes. Limestone-laced soils give Finger Lakes wines a distinctive taste.

Our neighbors in the Finger Lakes are making some delicious, attention-worthy wine and spirits, and it's an honor for us to highlight them.

As you browse, keep in mind that our list is progressive — the wines increase in body as you descend the list within each category. Please ask us if you have a question — we really enjoy helping you find the perfect complement to your meal. Whatever you decide, it's our genuine pleasure to have you here.
